WARDROBE STYLING

SHOPPING LIST

PREPARED FOR **Azzurra**

11/12/2026 / REMOTE CONSULTATION / FALL - WINTER

OUR STARTING POINT

We are going to renew your wardrobe around what you defined as *Copenaghen Style*, basic pieces with accents of colours. Preppy style without losing your edge. Or, as I said it: a lesbian, but also a laic nun. While trying to avoid fast fashion as much as possible.
